

PWUD and HARM REDUCTION ROAD MAP

RED	Pre - Conference Plenary
BLACK	Events in the Main Conference area
ORANGE	Events in the Global Village
GREEN	Events off Site
PURPLE	Film Screen in the GV Screening Room

DATE	TIME	NAME OF EVENT / SESSION / FILM	VENUE	DESCRIPTION
17-Jul	08:00-18:30	3rd International HIV / Viral Hepatitis Co infection meeting	Session Room 8 – Main conference area	Pre-conference plenary meeting. The meeting will focus on identifying opportunities for increased diagnosis and treatment of viral hepatitis in PLHIV, particularly in low and middle-income settings.
18-Jul	09.00-10.00	The Good, The Bad and the Truth of Harm Reduction policies in Africa	Harm Reduction Networking Zone	Prof Isidore Obot from Nigeria will be discussing the current situation regarding Harm Reduction policies within Africa
18-Jul	12.00-13.00	Dying a Slow Death: Inside Indonesia's Drug War	Harm Reduction Networking Zone	Film screening followed by a discussion
18-Jul	12.30 – 14.30	HIV in Conservative Social Settings: Promoting A Rights Based Approach To HIV	Session Room 5 – Main Conference area	The panel will include topics like the role of religion and culture on treating HIV, best treatment options, and vulnerable populations like People Living With HIV/AIDS, People Who Use Drugs, Men Who Have Sex With Men, Sex Workers, and Women in conservative social settings.
18-Jul	12:45 = 13:45	Women who use drugs – taking a place in the HIV movement	Women's Networking Zone - Global Village	Women who use drugs are often not heard in PLWHIV or positive women's groups. ICW and INWUD have developed a joint position statement to promote the need to include the voice of women who inject drugs in the HIV movement. Key points from the position statement will be raised and discussed.
18-Jul	14.00-15.00	Discussing the Golbal Commission on Drug policy	Harm Reduction Networking Zone	Dr Khalid Tinasti from the Global Commission on Drug Policy will be discussing Recommendations and Advocacy for Drug Policy reform
19-Jul	10.00-12.00	Access to Justice – As Crucial as a Clean Needle	Harm Reduction Networking Zone	Q&A Panel Session with Naomi Burke Shyne from Open Society Foundation

19-Jul	11.00 – 12.30	Doing the Right Things in the Right Ways: Policy, Legal and Ethical Challenges in Delivering Comprehensive Treatment and Prevention Services for Key Populations	Session Room 1 – Main Conference area	Presentations address lack of policies to protect and support key populations in accessing relevant HIV services and identify challenges and obstacles with existing laws that impede key populations from access to necessary prevention, care and treatment services.
19-Jul	11.00 – 12.30	Pathways: Moving from Structural Risks to Responses	Session Room 7 – main conference area	Several short presentations. One of which looks at Whoonga and another that addresses the Youth's responses to Harm Reduction in Vancouver.
19-Jul	11.00-12.30	Doing the Right Things in the Right Ways: Policy, Legal and Ethical Challenges in Delivering Comprehensive Treatment and Prevention Services for Key Populations	Session Room 1 – main conference area	This session addresses how research can improve access to appropriate and user-friendly care, treatment and prevention services for key populations. Targeted towards policy makers, ethicists, civil society and key populations representatives as well as researchers and programme implementers, it analyses how underlying policy, legal and ethical principles and current practices are either enabling or restricting delivery of HIV services to key populations.
19-Jul	14.00-15.00	Drug Users on the Front Line	Harm Reduction Networking Zone	Presentation by John Kimani from KENPUD looking at PUWD in Kenya
19-Jul	14.30 – 17.00	Effective Integrated Clinical and Programmatic Service Delivery for People Living with HIV who use Alcohol and Drugs	Session Room 8 – main conference area	This workshop is aimed at clinical providers and allied health professionals to improve quality and access of treatment programming for people living with HIV who are substance users. The topics cover comorbid conditions including alcohol and drug use, mental health, and increased health conditions including tuberculosis and hepatitis C.
19-Jul	16.15 – 16.40	Kerrigan: Adherence Barriers for Young Indigenous Women of Canada	GV Film Screening Room	The film encourages discussion about vulnerable Indigenous populations living with HIV who are often stigmatized in society, within their communities and within the healthcare system facing stigma and discrimination. The documentary also highlights the case of a two spirited young woman and her mental health challenges due to substance use.

19-Jul	16.30 - 17.15	One Day in Our Lives on Earth: Impacts of the War on Drugs (Edited Version for AIDS2016)	Global Fund Advocates Networking Zone	Film Screening followed by a Q & A/Discussion. This documentary film by Rights Reporter Foundation with the support of INPUD highlights how the lives of people who use drugs are affected by the global war on drugs, showing individual stories through the course of one day on earth. The film switches between nine cities on earth throughout the day, from Russia, the US, Germany, India, Indonesia, Hungary and Mexico. The film emphasises the need for comprehensive harm reduction programmes and progressive drug policy reform, and highlights the central role that drug user activists and their organisations play in achieving this."
20-Jul	09.00-10.00	Our Lives, Our Advocacy: We are the International Network of People who use Drugs	Harm Reduction Networking Zone	Ruth Birgin (INPUD) Brun Gonzalez (INPUD) Edo Agustian (ANPUD) Jude Byrne (AIVL) – will be discussing members perspective on UNGASS2016 and an Overview of INPUD Advocacy Publications
20-Jul	11.00-12.00	Funding Crisis for Harm Reduction in Middle Income Countries	Harm Reduction Networking Zone	A presentation by Claudia Stoicescu (Harm Reduction International)
20-Jul	11.00-12.30	UNGASS 2016, HIV/AIDS and Unsafe Drug Use: Public Health and International Drug Policy	Session Room 5 – Main conference area	This session addresses the shortcomings in the response to HIV and hepatitis C among people who use drugs. Participants will develop an understanding of the links between the scale up of harm reduction, the decriminalization of drug use, the end of incarceration for users, and the positive outcomes on the health and human rights of all.
20-Jul	11.00 – 12.30	Reaching the Unreached: Service Uptake and Retention Among Marginalized Populations	Session Room 10 – main conference area	There is a persistent mismatch between national programme messaging and the delivery of services to those most at risk of HIV infection (e.g. resources for school-based prevention instead of support for people who inject drugs). The workshop presents examples of successful programmes for access and service delivery that have been able to reach these unreached populations.
20-Jul	12.00-14.00	We are Drug Users	Harm Reduction Networking Zone	Film screening

20-Jul	12.50 – 12.55	Lost Childhood: Urgent Response Needed in Order to Save Lives of Adolescents Who Use Drugs	GV Film Screening Room	Lost Childhood is a documentary film produced by Alliance for Public Health in Ukraine. This video demonstrates the existence of a significant gap in time between the moment of the beginning of risky practices and initiation of harm reduction services delivered to young people with drug dependence.
20-Jul	13.30-15.00	Reforming drug policy and promoting harm reduction in Africa	Human Rights networking zone	The session will discuss efforts to promote harm reduction and drug policy reform in Africa, challenges and opportunities to expand these efforts and the role of Africa in international drug policy debates.
20-Jul	14.00-15.00	Discussions: Standard Minimum Rules for the Treatment of Prisoners (Nelson Mandela Rules) AND UN International Standards for the Treatment of Drug Use Disorders	Harm Reduction Networking Zone	Discussions with Jason Eligh from UNODC
20-Jul	14.30-17.30	Addressing the needs of Women who Inject Drugs	Session Room 9 – Main Conference area	Addressing the needs of women who inject drugs
20-Jul	15.00-17.00	One Day in Our Lives on Earth: Impacts of the War on Drugs (Edited Version for AIDS2016)	Harm Reduction Networking Zone	Documentary film by Rights Reporter Foundation with the support of INPUD
20-Jul	16.30 – 18.00	Alcohol, Substance Use and HIV	Session Room 2 – Main Conference area	5 Short presentations followed by a discussion relating to Substance Use, OST, incarceration and HIV
21-Jul	09.00-10.00	Discussion: Women who use Drugs in Advocacy	Harm Reduction Networking Zone	Ruth Bilgin from INPUD Pye Jakobsson (Rose Alliance) Jude Byrne (INWUD) and Carina Edlund (INWUD)
21-Jul	11-12.30	Advocacy Tactics II: Communities Challenging Human Rights Violations	Session Room 3 – Main Conference area	This interactive workshop brings together human rights defenders from around the world to share the practical methods they use to engage and organize their communities to claim human rights protections and to challenge human rights violations.
21-Jul	12.00-14.00	Support Don't Punish Films: "A Broad Consensus?" and "Voices for Drug policy Reform in Asia"	Harm Reduction Networking Zone	Film Screenings introduced by Ann Fordham from IDPC
21-Jul	14.00-15.00	Discussion: From Gender Blind to Gender Transformative services for Women who use Drugs. How do we get there?	Harm Reduction Networking Zone	Ruth Bilgin (INPUD) Judy Chang (INPUD/WHIRIN) Olga Belyaeva (EHRN) and Jane Dicka (HRV)
21-Jul	15,3	OSIEA Harm Reduction meeting	Southern Sun Elangeni Hotel	Panel presentations and discussions

21-Jul	16.30-18.30	Barriers Must Fall: Community-led Delivery	Session Room 5 – Main Conference area	Oral abstract session discussing various situations where service delivery has been impacted by the community
22-Jul	09.00-10.00	Can you Hear us? Giving voice to the Silenced – Recording Human Rights Violations Experienced by PWID Accessing Harm Reduction Services	Harm Reduction Networking Zone	Shaun Shelly from TBHIV Care and Machteld Busz from Mainline discuss Human Rights Violations in South Africa
22-Jul	10.00-11.30	“Chemsex”	Harm Reduction Networking Zone	Documentary Film Screening directed by William Fairman and Max Gogarty about a group of men of men battling with HIV, drug addiction and finding acceptance in a changing world.
22-Jul	11.00 -12.30	Alcohol, Drug Use and Sexual Risk Behaviour: Hotspots for HIV in Africa and Implications for Interventions	Session Room 8 – Main Conference area	Examines a series of concentrated epidemics of HIV in four settings in Africa where risk behaviour is being driven by a confluence of geographical, cultural, social and economic realities underpinned by alcohol and/or drug use. The session explores the dynamics of these epidemics and the implications for interventions.
